

## CANADA DAY PARADE

160 years ago, Bath was incorporated as a village. This meant that citizens could elect a council, raise taxes and make decisions in the best interests of the community. The 2019 Parade will feature floats depicting various aspects of life in Bath from those early days. We welcome back the Canadian Fencibles as well as the Rob Roys, the Princess of Wales Own Regiment and the Kingston Police Pipe bands, all crowd favourites.

**The Parade starts at 1 pm from Finkle's Shore Park.** So pick up flags at the Welcome Booth, find your spot on Main Street, listen for the cannon and enjoy the best Canada Day Parade in the area.

## NO WATER, PLEASE

In the last few years the use of water guns and water balloons have added to the fun for some but have also caused problems. Parade watchers and Parade participants have expressed consternation about unwanted spraying, getting hit in the face with water balloons, expensive water damage to the interior of restored vehicles and risk of engine seizure with the antique farm vehicles and cars.

To ensure that everyone has fun and no one gets hurt we ask that visitors and parade participants refrain from throwing water balloons or spraying water along the parade route. Please respect the NO WATER signs on floats and cards displayed by parade watchers.

For those who want to play with water, this year we have 2 hours of water activities from 10 – 12 noon in the KIDS ZONE. At 3pm the Bath Firefighters hose down the crowd with foam

and water, a great Bath Canada Day tradition.

## EMERGENCY ROUTE

Academy Street from Bulch Avenue to Second and Main Street is the emergency route for the village during Bath Canada Day. No parking areas along the route will be policed to ensure that two way access by emergency vehicles is possible.

## PARKING FOR CANADA DAY

Streets in Bath are crowded and parking limited. Follow the Event Parking signs to the EVENT PARKING LOT on Church Street, just north of Bath Public School. It offers 4.5 acres of free parking and a free shuttle bus to the corner of Church and Main Streets. The Shuttle Bus can accommodate fold up walkers and strollers.

For those with Handicapped Parking stickers, there are a number of spots at the J and P Restaurant parking lot at the corner of Church and Main Street. Spots are also available on the east side of Church Street beside the Fairfield-Gutzeit House.

## EXPECT TRAFFIC DELAYS

From 9AM -12 Noon and 2-5PM traffic coming from Amherstview and points east will be re-routed from Main Street just past Fast Freddy's down Academy Street to Church Street & then to Main Street. People coming into the Village from the west will reverse the route. Expect traffic to be slow through the Village.

The O.P.P. will be diverting traffic around the village starting at 12 noon to clear the streets for the start of the Parade. If you are inviting guests for the festivities it is best that they be in the village before noon. Alternatively they can take Highway 2 turn south at County Road 7 to the Event Parking near Bath Public School. The Shuttle Bus will transport them to the corner of Church & Main.

Directions for bypassing Bath on Canada Day can be found at [bathcanadaday.ca](http://bathcanadaday.ca), [loyalist.ca](http://loyalist.ca) and **Township social media accounts.**

## JOE HUDACIN: 2019 PARADE GRAND MARSHALL

Bath Canada Day Parade Marshals are always people who have shown a long term commitment to their community. The Village of Bath is fortunate to have a great number of citizens who contribute to making the village a special place to live, work and play. Even among this group of very special people, Joe Hudacin is outstanding.

Jean and Joe Hudacin moved to Bath in March 1975 and immediately felt at home. Their young family grew up in the Village and Jean and Joe became active members of the community. Within months of moving in, Joe was asked to be on the Bath Planning Board, a position he held for three years. Joe was first elected to municipal council for

the former Village of Bath in 1979, where he served for the next 19 years, rising to the role of deputy reeve in 1992.

Following the amalgamation of Ernestown, Bath and Amherst Island into Loyalist Township on January 1st 1998, Joe served as councillor for Ward 2 (Bath) for 6 years. He was an active member of the Heritage Committee, the Loyalist Parkway Advisory Committee, the Bath Museum, the Bath Revitalization Committee and the Bath Canada Day Committee.

In 2009, Joe received a medal from the Province of Ontario recognizing his 25 years of public service. In 2010, he was the recipient of a Long-Standing Service Award from Loyalist Township. In that same year, Joe became the Chairperson for the Bath Canada Day Committee after having served on the committee for several years. Under Joe's guidance, the Canada Day festivities flourished, participation by local volunteers increased and more activities were added.

The Bath Canada Day Committee is very proud to honour Joe Hudacin as our 2019 Grand Marshall.

**BATH CANADA DAY GREATLY APPRECIATES THE SUPPORT OF OUR MAJOR SPONSORS**
