

CANADA DAY PARADE

160 years ago, Bath was incorporated as a village. This meant that citizens could elect a council, raise taxes and make decisions in the best interests of the community. The 2019 Parade will feature floats depicting various aspects of life in Bath from those early days. We welcome back the Canadian Fencibles as well as the Rob Roys, the Princess of Wales Own Regiment and the Kingston Police Pipe bands, all crowd favourites.

The Parade starts at 1 pm from Finkle's Shore Park. So pick up flags at the Welcome Booth, find your spot on Main Street, listen for the cannon and enjoy the best Canada Day Parade in the area.

FUN FOR EVERYONE

In the last few years the use of water guns and water balloons have added to the fun for some but have also caused problems. Parade watchers and Parade participants have expressed consternation about unwanted spraying, getting hit in the face with water balloons, expensive water damage to the interior of restored vehicles and risk of engine seizure with the antique farm vehicles and cars.

To ensure that **everyone has fun and no one gets hurt** we ask that visitors and parade participants **refrain from throwing water balloons.** People in the parade and those watching who don't want to get wet will have **NO WATER, PLEASE** cards or signs. **Please respect this request.**

EMERGENCY ROUTE

Academy Street from Bulch Avenue to Second and Main Street is the emergency route for the village during Bath Canada Day. No parking areas along the route will be policed to ensure that two way access by emergency vehicles is possible.

PARKING FOR CANADA DAY

Streets in Bath are crowded and parking limited. Follow the Event Parking signs to the EVENT PARKING LOT on Church Street, just north of Bath Public School. It offers 4.5 acres of free parking and a free shuttle bus to Main Street. The Shuttle Bus can accommodate fold up walkers and strollers.

Watch for Handicapped Parking signs at Bath Public School. Handicapped stickers are required and vehicles will be monitored.

EXPECT TRAFFIC DELAYS

Traffic on Highway 33/Main Street Bath will flow as usual until 11:30 am. The OPP will close Main Street from Church Street to the west end of Finkle's Shore Park in order to prepare for the Parade. Main Street will re-open after the Parade at approximately 2 pm.

Traffic on Church Street from Academy Street to the Bath Fire Hall will be slow due to pedestrian traffic from 9 am to 5 pm. Please drive slowly and cautiously.

Directions for bypassing Bath on Canada Day can be found at bathcanadaday.ca, loyalist.ca and **Township social media accounts.**

JOE HUDACIN: 2019 PARADE GRAND MARSHALL

Bath Canada Day Parade Marshals are always people who have shown a long term commitment to their community. The Village of Bath is fortunate to have a great number of citizens who contribute to making the village a special place to live, work and play. Even among this group of very special people, Joe Hudacin is outstanding.

Jean and Joe Hudacin moved to Bath in March 1975 and immediately felt at home. Their young family grew up in the Village and Jean and Joe became active members of the community. Within months of moving in, Joe was asked to be on the Bath Planning Board, a position he held for three years. Joe was first elected to municipal council for

the former Village of Bath in 1979, where he served for the next 19 years, rising to the role of deputy reeve in 1992.

Following the amalgamation of Ernestown, Bath and Amherst Island into Loyalist Township on January 1st 1998, Joe served as councillor for Ward 2 (Bath) for 6 years. He was an active member of the Heritage Committee, the Loyalist Parkway Advisory Committee, the Bath Museum, the Bath Revitalization Committee and the Bath Canada Day Committee.

In 2009, Joe received a medal from the Province of Ontario recognizing his 25 years of public service. In 2010, he was the recipient of a Long-Standing Service Award from Loyalist Township. In that same year, Joe became the Chairperson for the Bath Canada Day Committee after having served on the committee for several years. Under Joe's guidance, the Canada Day festivities flourished, participation by local volunteers increased and more activities were added.

The Bath Canada Day Committee is very proud to honour Joe Hudacin as our 2019 Grand Marshall.
